Data Notes

The state Division of Criminal Justice Services provides funding, training and technical support to 20 police agencies and their law enforcement partners in 17 counties through the Gun Involved Violence Elimination (GIVE) initiative, which aims to reduce shootings and save lives in communities with high rates of violent and gun crimes

The Albany, Binghamton, Buffalo, Hempstead, Jamestown, Kingston, Middletown, Mt. Vernon, Nassau County, Niagara Falls, Newburgh, Poughkeepsie, Rochester, Schenectady, Spring Valley, Suffolk County, Syracuse, Troy, Utica, and Yonkers police departments participate in GIVE.

Violent Crime by Firearm

This report contains violent crime by firearm data annually for the past 10 years as reported by these 20 police department through the state's Uniform Crime Reporting system. These data show the number of violent crimes – murder, rape, robbery and aggravated assault – and the number and percentage of those crimes reported as involving a firearm.

Note:

Police agencies began reporting the index crime of rape under the FBI's expanded definition of the crime in 2015 so caution should be used in comparing data prior to that year with data reported in 2015 and subsequent years.

The expanded definition, however, did not apply to firearm-related rapes, which are limited to the following Penal Law crimes: first-degree rape; second-degree rape, subsection 2; and third-degree rape, subsections 1 and 3. Given this, firearm-related rape data may be compared across all years.

Notes:

All data are preliminary and subject to change.

Percentage change is not calculated when counts are fewer than 10 and the five-year and ten-year averages are rounded to the nearest whole number.

*See definitions page for reporting changes to the Index Crime of rape effective in 2015, which also impacts violent crime totals.
