

Youth Arrest Data (Younger Than 18)

GLOSSARY

The arrest data displayed here are derived from the Division of Criminal Justice Services (DCJS) Computerized Criminal History (CCH) system. CCH contains arrests for offenses where fingerprints are required to be taken (Criminal Procedure Law 160.10). Arrest information is submitted by police agencies via a fingerprint transaction electronically transmitted to DCJS. These data tables contain arrests of individuals who were 16 and 17 when the crime occurred, and arrests of juvenile offenders (JO): 13-, 14- or 15-year-olds charged with certain violent felony offenses (Criminal Procedure Law 1.20.44) These data do not include arrests for misdemeanors committed by 16-year-olds on or after Oct. 1, 2018, when the first phase of the state's Raise the Age law took effect.

Arrests are displayed by arrest county and include all agencies that made an arrest within that county, including agencies from other counties. Arrests made by New York State agencies outside of the state are included in the total but not shown separately.

Violent Felony

Offenses detailed in Penal Law Article 70.02 and the Class A felonies of murder, arson, kidnapping, and predatory sexual assault.

Non Violent Felony

Offenses for which a sentence of imprisonment longer than one year may be imposed (NYS Penal Law Article 10.05).

Misdemeanor

Offenses for which a sentence of imprisonment between 15 days and one year may be imposed (NYS Penal Law Article 10.04).

Note: Some counts from prior years may have changed.
